Instruction Text

Please use a black or blue ink pen to mark your ballot. To vote for a person, darken or shade in the box that is associated with the person's name in the proper column.

A write-in vote will not be counted unless the vote is for a DECLARED write-in candidate. To vote for a write-in candidate, you must make a voting mark on or in the square to the left of the name you have written in or your vote will not be counted.

STRAIGHT PARTY

(1) You are not required to vote a straight party ticket. If you do not wish to vote a straight party ticket, do not make a mark in this section, and proceed to voting the ballot by office.

(2) To vote a straight Democratic, Republican or Libertarian ticket for all Democratic, Republican, or Libertarian candidates on this ballot, except for candidates described in (3) below, make a voting mark on or in this box and do not make any other marks on this ballot.

(3) To vote for any candidate for an at-large office (Township Board), to which more than one (1) person may be elected, you must make another voting mark for each candidate you wish to vote for. Your straight party vote will not count as a vote for any candidate for that office.

(4) If you wish to vote for a candidate seeking a non-partisan office, you must make another voting mark on the appropriate place on this ballot.

PUBLIC QUESTION

SCHOOL DISTRICT QUESTION

Vote "YES" or "NO"

Shall the Monroe County Community School Corporation increase property taxes paid to the School Corporation by homeowners and businesses for eight (8) years immediately following the holding of the referendum for the purpose of funding the retention and attraction of teachers and support staff through increased compensation, and for funding to enhance academic programs including STEM, the arts, and special education at a maximum referendum property tax rate of \$0.185? If this public question is approved by the voters, the average property tax paid to the School Corporation per year on a residence would increase by 35.24% and the average property tax paid to the School Corporation per year on a business property would increase by 34.09%. The most recent property tax referendum proposed by the School Corporation was held in 2016 and the measure passed.
